

New Grocery Store Opens On Cabrillo Ave.

Richard Colburn Enters the Business World As An Independent Grocer

Colburn's Market, 1801 Cabrillo avenue, is the newest addition to the business enterprises in Torrance, opening today under the management of Richard Colburn, young independent grocer.

Mr. Colburn is the son of George Colburn, also the proprietor of a grocery at 645 Sartori and gained his experience in assisting his father with the business at this store. He is now branching out for himself, and like his father will be a member of the independent grocery chain of Associated Grocers.

This young man is well known in the city where he has resided for ten years. He is a graduate of Torrance high school, where he took an active part in student body affairs.

The new store has been completely redecorated and is fitted up with new fixtures and a complete new stock. One of the features attractive to busy housewives will be the free delivery service which Mr. Colburn will maintain. The telephone at the new store will be Torrance 110. It is located in a well populated residential district and should do a successful business, as Mr. Colburn expects to offer the best in service and food supplies to his customers.

Calendar Turns Back 46 Years

CLEVELAND, (U.P.)—Every one 46 years old last April 14 observed birthdays and Palm Sunday on the same day for the first time since they were born. Mrs. Helen Skari observed when she called a newspaper here. She said she remembered her mother telling her she was born on a Palm Sunday.

Annual Meeting Of Central Church

The annual meeting of the congregation closing the year's activities prior to the convening of the annual conference of the Evangelical church, California, was held in Central Guild hall Monday night, May 6.

The congregation gathered and enjoyed their evening meal after which they were favored with musical selections by Mr. and Mrs. Chas. Curtiss.

The regular routine of business was conducted with the local pastor, Rev. O. D. Wonder, in charge. Greetings were brought from other congregations of the state through the district superintendent, Rev. Edward Burg.

Reports were given of local activities by different departments, setting forth the accomplishments through their respective channels for the year closing.

Felix C. Winkler was elected church treasurer to succeed himself. Geo. W. McKenzie and Daniel McCormack were elected trustees. Mr. McKenzie filling an unexpired term caused by a resignation, the time of the expiration of this trustee being 1937. Mr. McCormack was elected for a term of five years to succeed himself, time of the expiration being 1940. Other routine business was the election of Sunday school superintendent, and other discussions of items of business.

CHRISTIAN SCIENCE CHURCHES

"Adam and Fallen Man" is the subject of the Lesson-Sermon on Sunday in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. Those words of Jesus, from John, are the Golden Text: "As Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up: that whosoever believeth in him should not perish, but have eternal life."

A Scriptural citation in the Lesson-Sermon includes these verses from Paul's epistle to the Ephesians: "Be ye therefore followers of God, as dear children;... For ye were sometimes darkness, but now are ye light in the Lord: walk as children of light;... And have no fellowship with the unfruitful works of darkness, but rather reprove them... Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light."

Passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, state: "Whatever indicates the fall of man or the opposite of God or God's absence, is the Adam-dream, which is neither Mind nor man, for it is not begotten of the Father... As mortals begin to understand Spirit, they give up the belief that there is any true existence apart from God."

South Lomita Church

During the month of May the pastor is building his morning messages on the theme of the Lord's return. Present day history convinces many that the coming of the King, so definitely promised in the Bible, is not far distant. The subject is timely. Next Sunday morning Mr. Colwell speaks on "The Manner and Time of His Appearing."

A woman of unusual power is Miss Martha Pohner, who has been a missionary both in China and in Alaska. The story of her thrilling experiences among Chinese bandits held Lomita young people spellbound when she was here in 1929. Miss Pohner will speak twice at South Lomita church Sunday evening: to the young people at 6:30, on "Twenty-three Days With 40 Pirates in China," and at the 7:30 service on "The Spiritual Need of Alaska." Everyone welcome.

A splendid opportunity to study the problem of keeping physically fit is offered to the people of the community in the coming of Dr. Irving D. Ewart, of Long Beach, to conduct a series of discussions on health. Bring your pencil and notebook and your questions to this class, which will meet for the first time at 7:30 o'clock next Wednesday evening, at South Lomita church. Dr. Ewart is a physician of marked success, continually alert to study that which is being discovered in his field of science. He comes to us without charge or obligation, solely with the purpose of being of service.

With spade and rake, wagon and wheelbarrow, members of the Girls' Club and the Boys' Club gathered to chop down weeds and improve the appearance of the church grounds Tuesday afternoon. After the gardening came a feast of winners at the outdoor fireplace in the Bakers' back yard. Grown-ups who assisted were Mrs. Henderson, Mrs. Sitts, Miss Mills, Mrs. and Mr. Baker and Mr. Gorbet.

ST. ANDREW'S EPISCOPAL

staff, which includes out of town physicians who receive the courtesies of the hospital, 16.

During the ten years the hospital has cared for 10,711 patients, and has delivered 1,701 babies, up to yesterday, among which were 28 premature infants who had to be cared for in the up to date incubator, and 18 pairs of twins.

The hospital is equipped with the most scientific apparatus available in all departments. Two recent purchases are a new ultra short wave transformer, or radio-thermy, for use in cases of infection or pneumonia, and metabolism equipment for diagnosis. It has complete X-ray, both stationary and portable for bedside use; complete laboratory for all tests including pregnancy, Kahn tests and blood chemistry; two surgical rooms, for minor and major operations; lying-in room for preliminary treatment in obstetrical cases; emergency room; two large solariums for convalescent patients; 50 beds in small wards and private rooms. New drapes and furniture are being placed in the rooms, walls have been re-finished in a restful green shade, and the lobby and halls have been laid with new tile-type linoleum. The hospital will observe the tenth anniversary on Sunday, May 12, in connection with the annual Hospital Day, when it will keep open house. The public is invited to visit the hospital on this day.

Cash Required For Library Operation

The sum of \$2,000 will be required for operation of the Palos Verdes public library and art gallery, the board of supervisors was advised this week by the board of directors.

Agnes I. McMillan, librarian, stated that the money was to be used for purchase of books and for services.

The library has a contract with the county for operation of the library.

Resident Here 14 Years Dies

Henry F. DeHart, age 68, passed away suddenly Saturday evening, May 4, at his home, 1513 216th street. His death, due to natural causes, was entirely unexpected as he had been at work during the day and was apparently in his usual health. He was a barber by trade, and formerly conducted a shop on East Carson street.

Mr. DeHart was well known in the city, having resided in Torrance for the past 14 years. He leaves a widow, Mrs. Agnes DeHart. Funeral services were held Tuesday afternoon, at 2 o'clock, from Stone & Myers chapel, Rev. Ben Lingenfelter officiating. Interment was made at Roosevelt Memorial Park.

QUALITY, - with a Smile!

Yes, Madam,—that's the secret of our success.—GOOD MEATS and COURTEOUS SERVICE. Nothing is too good for Grubb's customers, and we refuse to accept anything from the meat packers which is not STRICTLY FIRST QUALITY,—which is always most economical in the final analysis.
